

Dear Partner Pastors and Leaders,

As a pastor, I had become discouraged over the lack of growth in my church. Even worse, the church was declining. I was trying to push every button and pull every lever to try and get it to work. I can't tell you how many church growth books I read. The more I did this, the more people would leave.

But, everything changed on August 18, 2014.

I was preaching in Johannesburg at the time. The minister's conference was my last meeting before returning home. I had been trying to land on my subject the day before the meeting. Even though I brought outlines, they all seemed dry. Late that evening I just sat back in my chair and closed my eyes. I asked the Lord, "What do you want me to do?"

He spoke to me in a way He had never spoken to me before. He was very stern and commanding. But, what He said has completely altered my life and ministry.

He shouted, "I WANT MY CHURCH BACK!! I want signs, wonders and miracles re-introduced into My Church. I don't want them just in a one time a year conference or on special occasions. I don't want healing hidden back behind the platform and away from the congregation. I want these signs, wonders and miracles to become as much a regular part of the life of your church as it was in the book of Acts. I want My healing and miracle ministry back in My Church in full force. I also want the full operation of the gifts of the Spirit back in My Church. They have been edged out and I want them back. Demonstrations of the supernatural are one of the major distinguishing marks of My Glorious Church and should be a common occurrence. Do what I did. I am your pattern for My Glorious Church. Teach, preach and heal."

I was shocked, stunned and excited all at the same time. This is what I have wanted all along. I wanted a move of God in my church. I wanted the demonstrations of His healing and miracle power. I wanted the gifts of the Spirit.

The Lord is so good. By the time we returned, the move of God had already begun and has escalated since that time.

The Lord had me do something that has changed the very face of our services. On Sunday morning, He told me to, “TAKE DOWN THE CLOCK!!” When we did, the crowd cheered and my spirit leaped! I was free to follow the Holy Spirit without any restraint.

I am coming to Wales by invitation of Pastor Alex Ashton. He has been watching us and was deeply moved by what the Lord said to me about God wanting His Church back. Pastor Alex wants me to come and share what the Lord has done in our church and how this outpouring will sweep across Europe.

Pastor Terri, our associate Dr. Gene Bailey and I will minister this Outpouring to leaders and pastors in the Word, as well as allow the Holy Spirit to demonstrate His presence—especially in healing and miracles. I invite you to be come be a part of these meetings.

God wants His Church back. The time has come for us to lead the charge and fulfill what He has in His heart.

For the Outpouring,
